RE: Senate Bill 282

Submitted by Senator Rob Kane

*Antiques
Trail
Bill*

Dear Committee Members,

The Old Saybrook Antique Center is a multi dealer antique shop with about thirty antique dealers located in Old Saybrook, CT. We have been in business for eighteen years. We attract customers from around our state as well as from N. Y., N.J., MA and other surrounding states. We feel that creating a statewide Antiques Trail would attract more people to our shop and the many other antique shops in the state of CT.

People are always asking about other shops that they can visit as well as places to eat and stay. CT has a wonderful selection of antique shops and can offer a unique experience to visitors. A statewide organization like an Antiques Trail would be a great way to promote these businesses. We urge you to pass this worthwhile bill.

Thank you for your consideration.

Sincerely yours,

Lonnie Moskal
